**Escambia County Housing Finance Authority
Multi-Family Tax-Exempt Bond Program
Application Procedures and Program Guidelines**

Revision of September, 2024

Dear Applicant:

The Escambia County Housing Finance Authority (hereafter referred to as the “Authority”, “ECHFA”, or the “Board”) is interested in providing tax-exempt revenue bond financing for qualified housing developments which meet the goals of the Authority and comply with applicable federal and state law. The following describes the policies and application procedures established by the Authority for the financing of multi-family housing developments (hereinafter referred to as “Project” or “Development”). The Authority will only issue obligations to provide financing for a Development for which the Applicant has satisfied the general requirements set forth in these guidelines. The Authority may impose additional limitations in accordance with the policies, rules and regulations of the Authority. All Developments must satisfy all applicable state and federal requirements (the Authority will rely on Bond Counsel, Counsel to the Authority and its [Registered Municipal Advisor](#) (“Municipal Advisor”) to determine the applicable requirements with respect to each Development). In addition, all federal, state and local Fair Housing Requirements must be followed. The Authority may waive specific provisions of these guidelines where good cause is shown and adequate supporting documentation is provided. Likewise, the Authority reserves the right to impose additional requirements on any particular Development. Any waiver is at the sole discretion of the Authority. These policies and procedures may be amended, revised, repealed or otherwise altered by the Authority with or without cause or notice and are subject to changes in state and federal law.

The Authority is encouraging:

- Family developments located anywhere in the County (including Pensacola or Century),
- Elderly developments located anywhere within the County (including Pensacola and Century),
- Rehabilitation developments located anywhere in the County (including Pensacola and Century),
- Redevelopments, conversions and/or mixed income developments that provide affordable housing as an integral component and incorporate green, enhanced energy efficiency or other innovate features.
- The Authority also encourages these type projects in other counties that have asked the Authority to issue debt within their jurisdictions by adoption of an area of operation resolution.

All applications submitted will be reviewed by the Authority’s Municipal Advisor, who will make recommendations to the Board. The Board will decide if the Applicant will be invited into credit underwriting. Submission of an application does not entitle the Applicant to bond financing, even if sufficient bond allocation remains to fund the development. The Authority provides below market rate loans of bond proceeds for construction, rehabilitation and permanent financing of multi-family housing developments, including student housing for qualifying entities. **However, from time to time the Authority may approve other financing structures to the extent permitted by law.** The funds are made available through the issuance by the Authority of revenue

bonds (the “Bonds”). If the Authority requires credit enhancement on the Bonds, the borrower must arrange to secure or collateralize the Bonds. The Bonds are secured solely by the credit enhancement provided by the borrower and/or revenues from the development. The multi-family program has been undertaken by the Authority in order to alleviate the shortage of affordable housing available to persons and families in Escambia and other participating counties; to generate multi-family rental capital for investment in Escambia and other participating counties, to stimulate economic development; and to create jobs. The Authority may issue bonds to finance any multi-family development in Florida pursuant to an Interlocal Agreement with the applicable county or housing finance authority in which a proposed Project is located. Each development financed by the Authority, in whole or in part, will not interfere with but rather will contribute to the housing stock and economic stability of the County in which the development will be located.

To the extent private activity bond volume cap is required, the Authority may apply for allocations of private-activity “Bond Volume Cap Allocation” from the State Board of Administration’s Division of Bond Finance (the “Division”) as needed when available. **The security for the bonds, including the source of revenue for repayment of the bonds, will be provided and pledged by the Applicant pursuant to a trust indenture and loan agreement, unless otherwise expressly approved by the governing board of the Authority for good cause shown. Generally, multi-family bonds issued by the Authority are not secured by public revenues. The Authority acts as a conduit issuer for multi-family bonds and shall not be responsible for payment of debt service or other costs attributable to those bonds.**

Applications are currently available and may be submitted anytime Monday through Friday. After an Application is approved by the Authority, the Authority has declared its official intent and the County has approved the Bonds after a public hearing, a request for Private Activity Bond Volume will be submitted to the Division of Bond Finance, unless allocation is available through carry-forward. All applications must be complete and all applicable fees paid at the time of submission to the Authority. If the bond financing is not completed within the time specified in Section 159, Part VI, Florida Statutes, and the Authority has not approved and initiated a validation proceeding, the allocation lapses and the Applicant may not proceed unless it reapplies for and receives Private Activity Bond Volume Allocation. Questions relating to this application and the policies of the Authority should be directed to Ms. Lisa N. Bernau, Executive Director, and Ms. Fran Jones, Director of Housing, and no other persons unless otherwise authorized by Ms. Bernau.

Acceptance of an application by the Authority only commits ECHFA to **consider** the proposed Development and financing and compliance with these guidelines does not and shall not create any rights by an Applicant to a commitment or assurance that the Authority will provide the proposed financing. To assist Applicants in understanding the Authority’s expectations and procedures, it is recommended that Applicants contact the Authority’s Executive Director prior to submitting an application to discuss the nature of the proposed Development, the proposed financing structure, timetable, and other pertinent information.

If a development will rely upon subsidy from the Florida Housing Finance Corporation, the Authority’s Executive Director is authorized to provide a confirmation that the Applicant has submitted an application for tax-exempt bonds, including a confirmation of the amount of bond financing requested, upon receipt of the completed Application.

A. SUMMARY OF PROCESS/AUTHORITY POLICIES

A variety of collateral techniques may be explored. The financial structure is subject to approval by the Authority’s Municipal Advisor and Bond Counsel. The term of a bond issue is negotiable and interest rates cannot be determined until the sale of the Bonds. The bond issue is accomplished via the following financing steps:

Step #1. Selection Stage

Applicants submit applications for review by staff and Municipal Advisor. An application for the issuance of Bonds shall be made in the form attached hereto as “Escambia County Housing Finance Authority Multifamily Tax-Exempt Mortgage Revenue Bond Program Application”. The application (in electronic format with one paper copy) must be submitted to the Authority at the addresses contained therein. The application is available at the ECHFA’s website: www.escambiahfa.com. The Authority’s application fee shall be paid directly to the Authority at the time of application. The application fee is non-refundable. Applicants are reminded that if they intend to apply to Escambia County for the local government contribution, Escambia County has its own separate requirements for approving projects, including a rigorous public hearing/input process following specific notice requirements.

SUBMISSION OF AN APPLICATION DOES NOT ENTITLE THE APPLICANT TO BOND FINANCING. INSTEAD, IT ALLOWS THE APPLICANT TO MOVE FORWARD INTO THE REMAINING DEVELOPMENT APPROVAL PROCESSES.

Step #2. Official Action (subsequent to written application)

Control of the Property

The Authority is not involved in site selection, but rather finances Developments that are proposed by Applicants. However, location of the proposed Development will be a factor considered by the Authority in its determination of whether to finance a Development. The Authority only considers a request for initial inducement of a proposed Project (the “Inducement”) when the Applicant can demonstrate control of the real estate. Control of the real estate can be evidenced by proof of ownership or by an executed purchase contract, deed or option agreement.

Proper Zoning for Use Intended and Concurrence

For new construction, the subject site, at the time the application is submitted, must be zoned for multi-family use with the appropriate number of units per acre and must meet concurrency requirements. Letters from the applicable counties and/or municipalities confirming the multi-family zoning and concurrence requirements or other official documentation are required to be provided to the Authority prior to consideration of an Inducement Resolution.

Acquisition and Rehabilitation

All proposed Developments that involve acquisition and rehabilitation of existing properties must include a current comprehensive property assessment/condition report prior to engagement of the Credit Underwriter. The report must be prepared by a disinterested third-party construction consultant, experienced in preparing such reports and must be acceptable to the Credit Underwriter for the issue.

Official Action

Once the applicant has finalized their financing plan then upon request of the Applicant and payment of the Preliminary Analysis Fee, the Authority's staff and applicable professionals will review and perform a development financial feasibility analysis, including but not limited to, a review of a developer's ability to proceed, public purpose and other selection factors included in these guidelines (the "Preliminary Analysis") and will make a written recommendation to the Board. The Board will consider public purpose and the Preliminary Analysis and decide if an Applicant will be invited into subsequent stages of the process.

Once it has been ascertained that the Applicant understands and agrees to comply with applicable requirements and has supplied all documentation required for inducement, the Board may consider an Inducement Resolution for a proposed development. If deemed appropriate by the Board or requested by the Applicant, the public hearing required by the Tax Equity and Fiscal Responsibility Act may be held in connection with or in advance of consideration of the inducement resolution.

The Applicant must review and sign the Inducement Agreement in substantially the form attached hereto as Exhibit C prior to Board consideration. The Inducement Agreement will specify that the Applicant will be responsible for payment of any costs incurred by the Authority in connection with the financing and will set forth any special requirements of the Authority pertaining to its preliminary approval of the Project.

Fully completed applications must be received 30 days prior to a scheduled Authority board meeting for which inducement is potentially considered. For example, if the Authority has an upcoming board meeting scheduled for May 12th, a completed application must be submitted no later than April 12th in order to be considered for potential inducement at such May 12th board meeting, subject to the Authority's discretion. Applications deemed incomplete will not be brought for inducement until all necessary information is received.

TO ENSURE ADEQUATE TIME FOR PROCESSING, THE PRELIMINARY ANALYSIS FEE MUST BE PAID AND ALL DOCUMENTATION REQUIRING AUTHORITY OFFICIAL ACTION MUST BE RECEIVED FOR REVIEW BY THE DEADLINE ESTABLISHED BY THE AUTHORITY

Following Board deliberation, the Board may decide to adopt an Inducement Resolution (the "Official Action") before it, or it may decide to reject the application for any reason, including but not limited to changing market conditions, a failure to exhibit adequate public purposes, financial assumptions that render the proposed Development financially unfeasible, or unacceptable performance history of the Applicant, any member of the Development Team, or any Affiliate of any of them, as described in Section B below.

The Board may establish conditions and timetables related to the financing as part of its deliberative process. **PLEASE NOTE: THE OFFICIAL ACTION OF THE AUTHORITY SHOULD NOT BE CONSTRUED AS INDICATING THE MARKETABILITY OF THE BONDS OR A GUARANTEE THAT THE BONDS WILL BE ISSUED. RATHER, IT IS AN INDICATION THAT THE AUTHORITY WILL ISSUE ITS BONDS IF A WILLING AND SUITABLE PURCHASER CAN BE FOUND AND IF ALL CONDITIONS PRECEDENT TO ISSUANCE OCCUR OR ARE MET. APPLICANTS SHOULD NOTE THAT ESCAMBIA COUNTY IS THE GOVERNMENTAL ENTITY THAT CONTROLS PERMITTING AND APPROVAL OF PROJECTS CONSTRUCTED WITHIN ESCAMBIA COUNTY TO BE FINANCED BY THE AUTHORITY. IT IS THE APPLICANT’S RESPONSIBILITY TO ENSURE THAT THE PROPOSED DEVELOPMENT IS CONSISTENT WITH THE COUNTY’S REQUIREMENTS.**

Step #3. TEFRA Hearing and County Commission Approval

Following receipt of an executed Inducement Agreement from the Applicant, a TEFRA hearing must be held in connection with the issuance of any tax-exempt bonds. **The advertisement of the TEFRA Hearing setting forth the location, description of the Development, the principal amount of bonds, the owner and/or manager of the Development and other relevant data about the proposed financing MUST be published at least seven (7) days prior to the public hearing date.** Unless otherwise provided, the TEFRA Hearing will be held by the Authority and the public will be invited to be heard with regard to the Development. The Authority staff will be responsible for all arrangements with respect to the holding of the TEFRA Hearing and TEFRA approval. Applicant should be prepared to participate in the TEFRA Hearing if requested by Authority staff.

Following the TEFRA Hearing, if the Board determines that it is appropriate to proceed with the project, the Authority will submit the minutes (or applicable extracts thereof) of the TEFRA Hearing to the appropriate County Commission(s) for approval. Conduit Bonds for Developments located in Escambia County, Florida are subject to Chapter 46, Article VII of the Escambia County Code of Ordinances (the “Escambia Code”). Applicants can view a copy of the Escambia Code at: Escambia County Code of Ordinances, Chapter 46, Part VII.

FAILURE TO OBTAIN REQUIRED APPROVAL FROM THE COUNTY COMMISSION SHALL RESULT IN THE TERMINATION OF THE FINANCING WITH NO LIABILITY TO THE AUTHORITY. IT IS THE APPLICANT’S RESPONSIBILITY TO MEET COUNTY REQUIREMENTS FOR APPROVAL.

Step #4. Financing Process

Once County Commission TEFRA approval for a project is received, it is the Applicant’s responsibility to insure the financing process proceeds in an orderly and timely manner.

PRIOR TO THE DRAFTING OF FINANCING DOCUMENTS OR APPLICATION FOR BOND VOLUME ALLOCATION, THE BORROWER MUST ENTER INTO FEE AGREEMENTS SATISFACTORY TO BOND COUNSEL, DISCLOSURE COUNSEL (IF APPLICABLE), AND THE AUTHORITY’S MUNICIPAL ADVISOR.

If no carryforward allocation is available, following County Commission approval, the Authority,

with assistance of Bond Counsel, will make submission to the State Board of Administration's Division of Bond Finance (the "Division") for private activity bond volume cap (with priority designated by the Authority for competing Developments, if any). A determination by the state agency generally takes one to two days after the application is received. Applicants will be notified immediately of the determination made by the Division. Private activity bonds must be issued by the Authority within the time limit specified in the allocation notice unless the Authority has authorized and commenced a validation proceeding. **THE AUTHORITY HAS NO CONTROL OVER THE BOND VOLUME CAP ALLOCATION AND IS NOT RESPONSIBLE FOR THE DETERMINATION RENDERED REGARDING THE AVAILABILITY OF BOND VOLUME CAP BY THE DIVISION. NO ASSURANCE CAN BE GIVEN THAT A REQUESTED PRIVATE ACTIVITY BOND VOLUME CAP ALLOCATION WILL BE RECEIVED.**

The Bonds must be issued the earlier of (i) the deadline established in the initial approval by the Board, (ii) prior to the expiration of the bond allocation associated with the financing, or (iii) within twelve (12) months of the effective date of the Inducement Agreement, subject to an extension granted in the sole discretion of the Authority. The Authority will consider extending the Official Action upon the submission by the Applicant, no less than thirty (30) days prior to the end of the above referenced twelve month or earlier period, of (i) a written notice that the Applicant wishes to seek an extension, and (ii) a status report providing tangible evidence satisfactory to the Authority of the progress of the financing of the Applicant's Development. **The Authority reserves the right to terminate an Inducement at the end of twelve (12) months, or any earlier time as noted in this paragraph.**

THE AUTHORITY SHALL DEEM THE INDUCEMENT TERMINATED IF THE APPLICANT FAILS TO MEET THE FOREGOING REQUIREMENTS.

Step #5. Other Development Approvals

If Development is in the planning stage, a site plan is developed and submitted to appropriate authorities at which time other Development approval processes are put in motion, pending approval of a proposed timetable by the Authority staff. Credit underwriting (including but not limited to review of site plan, architectural design, and final construction contract) is to be performed by a firm under contract with the Authority, at the expense of the Applicant. Failure by the Applicant to meet such deadlines will result in rejection of the application. Validation proceedings, if required, are commenced and the financing structure (credit enhancement, etc.) is finalized.

Step #6. Validation (if necessary)

The bonds of the Authority may be required to be validated in the manner provided by Section 159, Florida Statutes, as amended, and by Chapter 75, Florida Statutes, as from time to time amended and supplemented. The determination as to whether bond validation is required shall be made by the Authority upon advice of its attorneys. If a bond validation is necessary, Bond Counsel will prepare and file validation pleadings in the applicable Circuit Court. Applicant shall bear any fees and expenses (including legal fees of the Authority's Issuer's Counsel and Bond Counsel) relating to any bond validation.

Step #7. Pre-Closing Stage

Ratings and insurance, as appropriate, are obtained and documentation is finalized. A preliminary and final credit underwriting report will be delivered to the Board for final review and approval. Upon receipt of the reports, the Board may establish conditions and timetables for the financing. In addition to any conditions established by the Authority, the Applicant shall comply with all conditions established by the Credit Underwriter within the preliminary and final credit underwriting reports. Failure to comply with such conditions shall result in rejection of the application. Such conditions will include, but are not limited to, personal guaranties by the principals of the general partner and Development entity (and the related corporate entities) of construction completion, operating deficits, environmental indemnity, and non-recourse obligations. The Board may elect to not move forward with the financing due to information included in the credit underwriting report, or may impose additional restrictions or requirements recommended in the credit underwriting report.

Prior to closing, the Authority must be in receipt of a Letter from Applicant that all deal points have been resolved and that documents are in substantially final form. Adoption by the Authority of Bond Resolution approving documents and authorizing the issuance of Bonds will then be placed on the agenda for a regularly scheduled meeting. In unusual circumstances, the Authority may choose to consider a Bond Resolution at a special meeting. Bonds may then be underwritten and sold to purchaser(s), subject to all conditions precedent to closing being accomplished.

Step #8. Process after Final Approval of Financing by the Authority

A. Preparation of Bond Package

After appropriate review and approval by the Authority, the Authority shall consult with Bond Counsel and initiate appropriate steps leading to the preparation of bond documents for the sale of the Bonds.

B. Bond Counsel and Preparation of Bond Sale Documents

1. It is the policy of the Authority that the legal firm serving as Bond Counsel to the Authority will serve as Bond Counsel for all Authority multifamily housing revenue bond issues.
2. Following the execution of the Inducement Agreement by the Authority and the Applicant, Bond Counsel will prepare all documents necessary for the sale of Bonds and submit them for review and approval by the parties thereto.

C. Sale of the Bonds

1. The act of the Authority in entering into an Inducement Agreement with the Applicant for the issuance of Bonds shall not be construed as an indication of the marketability of the Bonds but rather that the Authority will issue its Bonds only if all necessary approvals are obtained, appropriate and willing purchasers can be found, and financing structure and documents are developed that are acceptable to the Authority and mutually agreeable to all parties thereto.
2. Bonds issued and sold by the Authority shall not be deemed to constitute a debt, liability, or obligation of the Authority, the applicable County, or of the State of Florida, or of any political subdivision thereof, or a pledge of the faith and credit or taxing power of the Authority, the applicable County, or of the State or of any such political subdivision but shall be payable solely from the revenues and other resources pledged to the payment of the Bonds.
3. It is the policy of the Authority to select the investment banking firm(s) to act as senior managing underwriter(s) and remarketing agent(s), if required, for the issuance of the Authority's multifamily housing revenue bonds. These firm(s) are listed in Exhibit A. The Authority will consider requests by Applicants to add co-managing underwriters for an Applicant's bond financing and determine the division of fees among such underwriters, in the sole discretion of the Authority.
4. In general, prospective bond issues not considered of investment grade quality may be sold only at private sale or by limited public offering to sophisticated investors or qualified institutional buyers in bond denominations of not less than \$100,000 each (or \$250,000, as applicable) with such limitations as to resale as the Authority may deem appropriate. The Authority maintains the right at all times in its sole discretion to decline to participate in a bond issue that does not provide acceptable protections for the Authority or investors. Investment grade quality shall be as determined by the accepted standards of the nationally recognized credit rating agencies.

D. Bond Transaction Fees and Expenses

The Applicant will be responsible for all fees and expenses of the Authority and its professionals in connection with an application for inducement and the subsequent issuance of housing revenue bonds. The Authority charges an Application Fee, a Preliminary Analysis Fee (a portion of which is attributable to the Municipal Advisor's Preliminary Analysis Fee), a Bond Financing Fee (a portion of which is attributable to the Authority's Legal Review Fee) and an Annual Administration Fee for all financings payable at the times and in the amounts described in Exhibit "B.". All fees are non-refundable. A schedule setting forth the fees of the Authority's professionals will be provided upon request.

Step #9. Closing

Closing shall be held at a time and place acceptable to the Authority. Any and all costs and expenses of the Authority incurred in connection with the issuance of the Bonds, including but not limited to the Authority's Bond Financing Fee, the fees and expenses of the Authority's Bond Counsel, Issuer's Counsel, Bond Underwriter, Credit Underwriter and Municipal Advisor shall be paid at closing, or such earlier time as outlined herein. The proceeds of the sale of the Authority's bonds will be deposited with the Trustee for the bondholders in accordance with bond documents.

In accordance with bond documents, the Authority will be concerned with the use of the proceeds to the extent that they are used only for purposes allowed by governing statute and provisions of the Development as authorized in the Inducement Agreement and bond sale documents. To this end the Authority reserves the right to require that all construction and other disbursements and certain other matters related to the development be approved by a construction servicing agent.

Step #10. Post-Closing

The Applicant is responsible for maintaining the tax-exemption of any tax-exempt bonds issued by the Authority on its behalf. The Applicant will comply with all secondary market disclosure requirements imposed with respect to the bonds by the Authority and all applicable regulatory bodies. The Applicant is responsible for all secondary market disclosure filings and will be required to execute a Continuing Disclosure Agreement with a dissemination agent acceptable to the Authority. The fees and costs of such dissemination agreement agent shall be paid by the Applicant. The Applicant will provide copies of such reports to the Authority. Applicants must implement written tax compliance procedures to assist in fulfilling their responsibilities and shall provide copies of such procedures to the Authority. The Applicant shall prepare or have prepared at its own expense such arbitrage rebate calculations as may be required in connection with the issuance of the bonds and will provide copies of the periodic calculations to the Authority.

B. UNACCEPTABLE PERFORMANCE HISTORY

No Development will be considered for funding by the Authority if the Applicant:

- (a) has been convicted of a state or federal crime based on dishonesty, fraud, deceit, or misrepresentation, or
- (b) has been convicted of any crime involving theft of government property in violation of Title 18, United States Code, Section 641, or
- (c) has entered into a Deferred Prosecution Agreement following the filing of a criminal information charging a violation of Title 18, United States Code, Section 641 was filed, or
- (d) has been convicted of a public entity crime, as described in Section 287.133, Florida Statutes.

- (e) has been debarred from any federal or Florida Housing Finance Corporation project or is on Florida Housing Finance Corporation's non-compliance list for any substantive reason.

(Collectively, the activity described in clauses (a)-(e) is referred to as "unacceptable performance history.")

For purposes of this Section, "Applicant" includes any person or entity that:

- i. Is a member of the Development Team;
 - ii. Directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with the Applicant or any member of the Development Team;
 - iii. Serves as an officer or director of the Applicant or any member of the Development Team;
 - iv. Directly or indirectly receives or will receive a financial benefit from a Development except as further described in Rule 67-48.0075, F.A.C.;
 - v. Is an Affiliate of the Applicant or any member of the Development Team.
- (f) "Affiliate" means:
- i. A predecessor or successor of an entity with unacceptable performance history; or
 - ii. An entity under the control of any natural person who is active in the management of the entity and who has unacceptable performance history.
 - iii. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person or entity of shares constituting a controlling interest in another person or entity, or a pooling of equipment or income among persons or entities when not for fair market value under an arm's length agreement, shall be a prima facie case that one person or entity controls another person or entity.
 - iv. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

C. WAIVERS

The Authority reserves the right to waive or modify any of the guidelines and procedures contained herein, not otherwise required to be met by law, upon good cause shown by Authority staff or any corporation, firm or business concerned with the proposed financing.

EXHIBIT B

BOND TRANSACTION FEES AND EXPENSES

- a) **Application Fee:** At the time an Application is submitted, the Applicant must include a cashier's check payable to the ECHFA in the amount of \$3,000. The Application Fee covers expenses incurred during the processing of the Application and structuring of the financing prior to closing such as TEFRA advertising expenses, publication expenses, filing fees, etc. The Application Fee does not include travel expenses of the Authority's officers, counsels and advisors to attend out of town closings. The application fee is non-refundable; however, the application fee will be credited toward the Authority's Bond Financing fee described below if the issue closes. Applicants are reminded that if they intend to apply to Escambia County for the local government contribution, Escambia County has its own separate requirements for approving projects, including a rigorous public hearing/input process following specific notice requirements.
- b) **Preliminary Analysis Fee:** Prior to the Inducement Resolution being presented to the Board for Official Action, the Applicant must pay the Preliminary Analysis Fee, which includes two components: the Municipal Advisor's Preliminary Analysis Fee and the Authority's Preliminary Analysis Fee. The Municipal Advisor's Preliminary Analysis Fee is established in the amount of \$5,000, and the Authority's Preliminary Analysis Fee is established in the amount of 10 basis points (.10% of the total tax-exempt and taxable bond principal requested, subject to a minimum fee of \$10,000 (together, the "Preliminary Analysis Fee"). The Preliminary Analysis Fee shall be paid by cashier's check (or wire funds). Typically, the Municipal Advisor's Preliminary Analysis Fee is paid directly to the Authority's municipal advisor, and the Authority's Preliminary Analysis Fee is paid to the Authority. **THE AUTHORITY'S PRELIMINARY ANALYSIS FEE IS NON-REFUNDABLE; HOWEVER, the Municipal Advisor's Preliminary Analysis Fee WILL BE CREDITED TOWARD THE MUNICIPAL ADVISOR'S FEE DESCRIBED BELOW IF THE ISSUE CLOSES.**
- c) **Authority Bond Financing Fee:** The Authority's Bond Financing Fee includes two components: the Base Fee plus the Legal Review Fee. The Base Fee payable to the Authority is 25 basis points (0.25%) of the principal amount of bonds issued, although the Bond Financing Fee may be negotiated at a higher amount if the transaction is unusually complex or presents unusual challenges in financing. On or prior to the date of closing, the Applicant (or Borrower) shall pay the Authority's Bond Financing Fee.

In the event that the Bond issue is a Related-Party Financing, in lieu of the 0.25% fee described above, an issuance fee shall be paid to the Authority at the time of the Bond closing in the amount of 65 basis points (0.65%) of the total bond principal amount issued (calculated as if all permitted advances of the principal amount are made at closing). A "Related-Party Financing" is a tax-exempt Bond issue where the initial or construction period lender is a related party (for federal tax purposes) to the Borrower (for example, when the tax credit investor is related to the construction period lender), and where a lender or bondholder that is not a related party to the

Borrower acquires the ownership of the Bonds following an initial construction period to become the permanent loan lender.

The Authority's Legal Review Fees on conduit financings are calculated as follows:

1. **For all issues, regardless of size, rating or structure:** Fees will be based on the amount of bonds to be issued (not exceeding amount) and will be negotiated with the Borrower based on the nature and complexity of an issue's structure. For all issues, the minimum Legal Review Fee is not less than \$7,500.
 2. **For each additional series of bonds issued under the same indenture and closed on the same date:** \$2,500 per additional series, if such additional series is added after the fee for the original structure has been negotiated.
 3. **For each change in bond structure after documents have been drafted based on another structure:** \$5,000 additional fee per each structure change.
 4. **Post Issuance services at the request of a Borrower (not constituting a reissuance of the bonds) or upon the happening of certain events:** Fees may be charged as a flat rate or by the hour (\$275 per hour), at the option of the Authority, and will be negotiated with or disclosed to the Borrower prior to commencing work, based on the nature of each request, and whether or not an opinion of counsel for the Authority is required. Fees will be higher where an opinion is required and will typically be subject to a minimum of \$2,500. Borrower may be required to pay a retainer in an amount to be determined by the Authority before services are commenced. The Authority may thereafter bill Borrower on a monthly basis for services rendered on an hourly rate basis, such as in IRS or other federal agency audits or examinations which continue for an extended period of time. In such cases, Borrower shall remit the monthly amount due within 15 days of receipt of an invoice from the Authority.
- d) **Annual Administration Fee:** The Authority charges an Administration Fee in an amount equal to 20 basis points (0.20% per annum, subject to a minimum of \$5,000 per annum) payable in arrears in semi-annual installments to be based on the maximum of the:
- i) par amount of bonds originally issued (not outstanding),
 - ii) total proceeds of the bonds originally issued (in the event of selling bonds at a premium), or
 - iii) maximum total funds to be drawn during the construction period.

This is a non-declining fee over the life of the bonds. In the event the Bond issue is a Related-Party Financing (see section c. Authority Bond Financing Fee), the annual Administration Fee shall not begin to accrue until the date of conversion from the construction period to the permanent period and the ownership of the Bonds has transferred to a non-related party lender.

When applicable, in addition to the fee description above, the annual Administration Fee will also include the costs of any ongoing third-party service provided to the Authority in conjunction with the bond issue, including but not limited to, loan servicing, development compliance monitoring, financial monitoring, trustee services, audit costs, DAC charges, material event disclosure and rebate analysis.

The Administration Fee is exclusive of the trustee's fee, rebate analysts' fee, audit fee, compliance

monitoring fee and any extraordinary costs as permitted under the respective bond documents. Payment of the Administration Fee is to be covered by the bond credit enhancement and/or secured under the mortgage on the Project assigned to the bond trustee. The Authority may require the payment of the Administration Fee to be guaranteed by the Project owner and or general partner(s). The Authority requires that the Applicant indemnify and hold harmless the Authority and its officials and representatives from any liability arising directly or indirectly in connection with the Bonds requested by such Applicant.

- e) **Optional Fee Structures:** In an effort to provide flexibility, and compliment a variety of financial structures, an Applicant can choose from one of the following fee options for their proposed development.

Note that under Option-2, the Annual Administration Fee will be reduced from 20 basis points (0.20%) per annum to 10 basis points (0.10%) per annum in exchange for higher Bond Financing Fees paid at closing. The Applicant must elect either Option 1 or Option 2 in its Application.
 - ii) **Short-Term Tax-Exempt Financing.** For transactions where the tax-exempt bonds are redeemed in full after conversion to permanent (short-term tax-exempt financing), an Applicant must pay Upfront Issuer Fees under Option-3 as listed below (subject to maximum fees permitted under IRS Section 148 of the Tax Code). In such a financing, the Applicant must elect Option-3 in its Application.
